MARKHAM REGIONAL COUNCILLOR

EXPERIENCE YOU CAN TRUST

PROVEN VISIONARY LEADERSHIP

A RECORD OF PROVEN RESULTS

Dear Markham Residents,

For 35 years it has been my privilege serving you. Together, we have built one of Canada's most successful communities — and as Markham keeps growing, we must make sure that growth improves our quality of life, strengthens our economy, protects our environment and heritage, and creates opportunity for our next generation.

With your support, I will keep working tirelessly to deliver real results for all of Markham, as I have for the past 35 years.

RESULTS • LEADERSHIP • VISION

My Commitment To You:

1. Every Tax Dollar Spent Wisely

Deliver responsible financial management, modern infrastructure and long-term planning that protects taxpayers and builds Markham's future.

2. Get Markham Moving

Build vibrant, walkable transit-oriented communities with world-class transit, and complete GTHA projects that cut congestion and connect residents to jobs, education and recreation.

3. Safe and Affordable Communities

Advance Markham's Road Safety Plan, Speed Management Program and Safe School Zones. Continue to design and build communities with safety in mind and work with York Regional Police to keep our communities safe.

4. Good Jobs, Here at Home

Strengthen Markham's economy by attracting technology, research, manufacturing and knowledge-based industries that create high-quality employment for today's workforce and future generations.

5. Greener for Generations

Support smart growth, protect our natural heritage, expand parks and trails, encourage active electric transportation, and build greener communities - which are environmentally and financially sustainable.

35 YEARS DELIVERING RESULTS FOR MARKHAM

Markham Centre Vision

Created and planned the vision for Markham Centre, one of Canada's premier mixed-use communities, which came from Markham's involvement, which I championed and led, in Toronto's 1996 Olympic Bid.

1989-1994

Langstaff Gateway Housing Plan

Initiated and chaired the Langstaff Gateway Secondary Plan, which is creating a new destination with two-way all-day transit and providing new and affordable housing opportunities.

2008-2012

Main Street Unionville Revitalization

Initiated and chaired the Main Street Unionville Revitalization Study which I championed through Council.

2017-2019

Yonge Subway North Extension

Chaired and led the planning of this vital subway extension up to Hwy 7. I had an EA-approved bus maintenance facility relocated to Richmond Hill, which paved the way for the Yonge subway and housing.

2008-2020

Pan Am Sports Centre

Led and championed Markham's involvement in Toronto's 2015 Pan Am bid, which brought a world-class sports and recreation facility to Markham.

1989-2014

Markham Development Services Committee

Chair of this critical committee that guides how Markham grows, for the past 16 years.

2010-2026

A VISION FOR MARKHAM'S FUTURE

A MODEL FOR MARKHAM'S TRANSIT-ORIENTED COMMUNITIES FUTURE BRENTWOOD, BURNABY, B.C.

The challenges facing Markham today – housing affordability, traffic congestion, economic competitiveness, safe neighbourhoods and infrastructure – cannot be solved one project at a time.

Instead of planning housing, transportation, employment, education, and infrastructure separately, we plan them together around high-quality corridor transit hubs.

BUILD COMMUNITIES AROUND TRANSIT - NOT TRAFFIC

My Rail-integrated Corridor Communities plan will provide:

- More Housing
- Efficient Transit
- Less Traffic Congestion
- More Jobs
- Protected Green Space
- Stronger Regional Economy
